Why Choose Security Fence Co.?

We succeed in achieving the highest standards because we have a top-notch team of craftsman and installers with over 130 years of collective experience in the fence industry, and a dedicated cadre of sales people and office administrators committed to understanding how best to meet your needs.

Union Signatory and Open Shop Crews • WBE/DBE Certified

Beyond Temporary Fence/Site Security

In addition to temporary fence installation, site security, and crowd control, Security Fence Co. also offers permanent fence and gates, access control systems, custom fabricating wood, vinyl or metal products, value-engineering and generally providing creative solutions to site challenges.

Some of our other products and services include:

- Dumpster enclosures
- Hand railings: vinyl or wrought iron
- Bollards: permanent or removable; ornamental
- Chainlink and wood fencing
- Guardrail: wood and/or steel
- Impasse™ High-Security crash barrier fencing
- Baseball and softball backstops
- Ornamental aluminum and steel fencing

Security Fence Co. is a woman-owned business, certified in Massachusetts and federally as a DBE/WBE.
